

BRIDGE REPORT

SUMMER EDITION

This summer was one for the books at Bridge Ministry of Acadiana! From joyful learning to deep discipleship, our building was full of life, laughter, and transformation. Thanks to your support, we served over 80 students and families through a summer filled with purpose.

We were blessed by collaborations with incredible partners, including Second Harvest, Escape From Poverty, and numerous community leaders. From financial lessons to fun physical activities, each week brought something new and exciting for our students.

ATTACKING THE SUMMER SLIDE

We're thrilled to share that our summer students made real, measurable progress in just seven weeks:

- 79% of students improved in reading and language arts
- 40% of students showed growth in math fluency
- Students gained confidence through small-group instruction, targeted interventions, and enrichment activities that made learning a more enjoyable experience.

By fighting summer learning loss, we're helping close the achievement gap and set our kids up for success when they return to school.
